## Nap time for toddlers

- **Flow for sessions 2 and 5:**
  1. Quiet time activities during free play while the other children are still entering the campference area.
  2. Soft music will be played and lights will be dimmed to help the children to transit to nap time.
- Your child will be sleeping on foam mats or sleeping bags. All these will be sanitised and cleaned. Blankets are not provided, so you may want to bring your child's own blanket, if needed.
- All children will be encouraged to close their eyes and down to rest if they cannot go to sleep. All the teachers have been specially trained to handle nap time. We have also assigned experienced teachers who are childcare professionals and mothers to serve in nap sessions.
- The average ratio is 1 teacher is to 4-5 children.
